Mieli krepšinio gerbėjai,

Man ir visai Kauno „Žalgirio“ komandai didelė garbė sveikinti Jus atvykusius į legendinę Kauno sporto halę. Čia – neeilinis renginys – VTB Vieningosios lygos finalinis ketvertas. Labai džiaugiamės, jog lygos vadovybė tinkamai įvertino mūsų darbą bei pastangas sezono metu ir patikėjo surengti šią šventę būtent Kaunui, kuriame gyvena patys geriausi krepšinio aistringiausi pasaulyje.

Finalinis ketvertas – VTB Vieningosios lygos finalinis. Jame lemiamą ir pergalingą spurtą nori atlikti keturios stipriausios regiono komandos. Kauno „Žalgiris“, Maskvos CSKA ir Maskvos srities „Khimki“ sėkmingai užsitikrino vietą Eurolygos „Top 16“ etape, o Kazanės „Unics“ skina pergalės Europos taurės turnyre. Tokio aukšto lygio ekipų susitikimai žiūrovams žada intriguojančias keturias dvikovas.

VTB Vieningoji lyga – tai dar vienas tramplinas krepšininkams tobulėti, siekti sportinių aukštumų ir garsinti savo komandų vardą. Džiugu, kad pirmajame lygos sezone netrūko įdomių rungtynių, įnirtingos kovos ir azarto. Tikiuosi, kad dalyviams atkakliai kaunantis aikštėje, sirgaliai patirs teigiamas emocijas ir finalinio ketverto metu.

Linkiu Jums neišdildomų įspūdžių, daug įsimintinų akimirkų bei, žinoma, pergalių. Sportas yra įdomus tuo, jog niekada negali žinoti, kaip viskas baigsis, todėl tegul nugalė stipriausias!

Pagarbiai,

Vladimiras Romanovas
Kauno „Žalgirio“ savininkas

Dear Basketball Fans,

It is a great pleasure for me and the entire Žalgiris team to welcome you to the legendary Kaunas sports hall, where the exciting Final Four of the VTB United League is being held. We are pleased that the board of the league recognized our efforts during the regular season and selected the city with the best fans, Kaunas, to host this amazing basketball show.

The Final Four marks the finish of the VTB United League with the four strongest teams in the region vying for the title. Žalgiris Kaunas, CSKA Moscow and BC Khimki have already qualified for the Top 16 in the Euroleague, while Unics Kazan has continued its success in the Eurocup. With teams of this caliber, fans are guaranteed four entertaining games.

The VTB United League is a great place for players to improve, to grow and to put their teams in the spotlight. We were blessed in the first season of the league as we enjoyed remarkable moments in each contest. I know that during this Final Four supporters will have a similar experience, as they watch players and coaches compete hard on the court.

I wish you great success, many unforgettable memories and of course, victories within your lives. Sports are always very interesting, because the outcome is often unpredictable, so always be at your best and may the strongest team win!

Best of luck,

Vladimiras Romanovas,
Owner of Žalgiris Kaunas
